

**TECHNOLOGY AND MANAGEMENT
OPTIONS – HOW DO YOU CHOOSE
WHAT'S RIGHT FOR YOUR OPERATION?**

Ken Olson
Extension Beef Specialist

SOUTH DAKOTA
STATE UNIVERSITY
College of Agriculture, Food
and Environmental Sciences

**51 years
26 occurrences**

- Lots of change in the beef cattle industry

YET

“One may get the idea that the more things change, the more they stay the same”

College of Agriculture, Food
and Environmental Sciences

Management & Technology Options

- Many to choose from
- Which should any specific producer use?
 - All?
 - None?
- How do you know?
 - Beef production is a complex system
 - Every operation is unique
 - Each decision needs to match the operation

and Environmental Sciences

Theme of the 2019 Symposium:

- Choosing among alternative management practices

- What
- Which
- When
- How
- Why
- Who
- Where

SOUTH DAKOTA
STATE UNIVERSITY
College of Agriculture, Food
and Environmental Sciences

We asked the speakers to provide presentations that focus on how to make these choices for their topic

SOUTH DAKOTA
STATE UNIVERSITY
College of Agriculture, Food
and Environmental Sciences

Our request of you over the next two days

- Listen with an open mind
- Consider possibilities to meet your goals
- Take home and use the nuggets that matter to you
